## Tatum: High-Velocity Solutions as your Executive-in-Residence

Businesses today face more complex challenges than ever. Tatum helps you resolve strategic, financial and technology issues by providing tailored solutions delivered with operational expertise. We rapidly assess your situation and deliver a hands-on solution that accelerates results when entering the U.S. Market.

### A Unique Approach

Tatum is the largest Executive Services firm in the United States, with nearly 1,000 executive and consulting professionals nationwide. We are the only firm with a singular focus on optimizing the Office of the CFO, addressing issues that impact financial performance across the organization.

Tatum helps organizations successfully navigate business challenges through solutions developed from unparalleled "hands-on" executive insight. We don't just suggest action; we follow through to address both your short-term and longer-term needs.

### The Urgency of NOW

Tatum is known for the velocity with which we respond to our clients' needs, rapidly integrating the right resources into your organization to solve complex problems. We provide the functional depth required to quickly understand the issues and move toward resolution.

### Tatum Can Help You:

- Assess strategic opportunities
- Manage corporate performance
- Implement mission-critical initiatives
- Resolve financial and technology obstacles
- Establish sustainable financial processes
- Address gaps in executive skill, experience or capacity
- Accelerate business results

### Operational Expertise

Tatum understands the pace of change in today's business climate, and our solutions are designed for flexibility. Our services include:

- Interim and Startup Management
- Consulting and Advisory
- Executive Search

Our financial and technology methodologies are developed by highly experienced operational executives to enable Tatum to rapidly assess issues and develop a plan of action to create more value™.
